

## STAY ON TREND

## IN THE BAG

INTRODUCING A NEW range of messenger bags from Aspinal Of London. As seasons come and go and trends emerge and fade, these handsome and elegant designs will continue to hold their own and safely hold all your essentials. Aspinal messengers and stylish satchels are made from the very finest black or brown smooth calf leather and are stain and water treated for extra durability. There are also cool canvas and compact versions available. The fully adjustable leather or contrast canvas straps are individually hand-stitched with brass or nickel fittings. Inside, there are pockets to hold your documents, pens and phone and the larger styles are sturdy and capacious enough to carry a lightweight laptop. Sophisticated and sleek, the Aspinal range of messengers effortlessly merges classic craftsmanship with sharp, contemporary styling. Aspinal carries a wide range of handmade leather accessories and bags including laptop and weekend bags, briefcases, attaché cases and document portfolios.

## HAYFEVER

NEW ORGANIC HAYMAX Aloe Vera combines the known pollen barrier properties of HayMax with the proven soothing and skin repair effects of aloe vera.

Simply apply it to the base of the nose and it traps the pollen before it gets in. No pollen — no sneezing! Voted Best Organic Product 2006, HayMax achieved 100 per cent success rate in simple user trials and an overwhelmingly positive response from customers (see testimonials at [www.haymax.biz](http://www.haymax.biz)).

The Daily Mail has chosen HayMax as one of its five favourite hayfever remedies, it's been recommended in Bike, Cycling Plus, The Times, Daily Mirror, Daily Mail, Vogue, Woman, Country Life, Birdwatching, by Dr Chris

Steele on ITV and many, many more.

HayMax is available at selected Boots, Tesco and Waitrose stores, Lloyds and Co-operative pharmacies, and independent health food stores and chemists.
