Let's be direct...

Move on Martinair

KLM now has 100% ownership of airline Martinair. This move will reinforce KLM's strategic position in the airline industry and will extend its network and services to its customers.

Double celebration

KLM turns 90 as the Keukenhof gardens in The Netherlands, famous for its millions of flowers, turns 60. To mark this achievement, a selected flower grower has created 'Tulipa KLM', a new tulip which exactly represents our business: strong, modern and unpretentious! 'Tulipa KLM' will be christened on April 7. Keukenhof is open between March 19 and May 21. For further details, visit www.keukenhof.com

INSPIRATION FROM THE KEUKENHOF

With the launch of KLM cityhopper's new destination Liverpool – starting on March 29 – Europe's 2008 Capital of Culture will be just over an hour away from Amsterdam. Birthplace of the Beatles, the city has continued to evolve into a cultural and architectural jewel and is also a most interesting destination for business travellers. KLM's extensive network will seamlessly connect Liverpool with over a hundred destinations worldwide. We will be operating three daily flights for complete flexibility.
